### \*AFFIRMATION OF FAITH

Adapted from *The Confession of 1967*

The reconciling work of Jesus was the supreme crisis in the life of humankind. His cross and resurrection became personal crisis and present hope for humanity when the gospel is proclaimed and believed. In this experience, the Spirit brings God's forgiveness to people, moves them to respond in faith, repentance, and obedience, and initiates the new life in Christ. The new life takes shape in a community in which people know that God loves and accepts them in spite of what they are. They therefore accept themselves and love others, knowing that no person has any ground on which to stand, except God's grace.
